ECS CONTRACT NO. 08-14

TRACS NO. H 687101D

Statements Due: DECEMBER 12, 2007

Statements of Qualifications expressing interest in the project will be received until 4:00 P.M. (Arizona Time) on the date shown above, at the office of Engineering Consultants Section, 205 South 17th Avenue, Room 229E, Mail Drop 616E, Phoenix, Arizona 85007. NO Statements will be accepted after the time specified.

Statements will be accepted from any firm or corporation who is properly registered with the Arizona Board of Technical Registration and who has a principal or officer responsible for this contract that is properly registered with the Arizona Board of Technical Registration at the time the Statements of Qualifications are due.

The selected consultant will provide professional engineering services for General Consultant (GC) Services for the Design Build implementation of general purpose lane installation on SR 202L between SR51/I-10 and SR 101L (Price).

The consultant may be required to perform services including, but not limited to: assist ADOT in the efforts to successfully advertise the Red Mountain Freeway (SR 202L) from I-10/SR51 TI to SR 101L Design-Build contract, assist in reviewing the technical aspects of the proposals from the shortlist of Design-Build firms, provide technical assistance to ADOT Technical Groups as necessary throughout the Design-Build project, provide technical coordination on an as needed basis with other ADOT services/sections and outside agencies, identify and resolve issues related to the Design-Build project prior to the Design-Build contract award, perform Design-Build oversight review, work with ADOT and the Design-Build firm to ensure all plans, reports and documents are incorporated for review sessions, maintain an appropriately staffed office on or near the project location during the length of the contract and dedicate full time staff for identified key disciplines associated with the Design-Build project, be available to attend meetings, present information to the public and provide displays at the request of ADOT, review and monitor the Design-Builders design quality control plan, ensure approved procedures are followed, provide professional construction administration services at the request of ADOT, verify that the design includes and incorporates all mitigation measures identified in the Final Design Concept Report and the Environmental Categorical Exclusion document.

Effective the date of the public advertisement of this contract, no further contact is allowed with any ADOT personnel concerning this project except for the Pre-submittal meeting and questions directed to the assigned Contract Specialist. This restriction is in effect until selection has been announced.

A Pre-Submittal Conference has been scheduled by the Project Manager for Thursday, December 6, 2007 at 9:00 AM in the ADOT Auditorium, 206 S. 17th Avenue, Phoenix, Arizona, 85007. You must have an ID to sign in at the front desk. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Carrie Satterlee at 602-712-7532. Requests for accommodations must be made 48 hours in advance of the event, to allow time to arrange the accommodation.

Any questions of an administrative or contractual nature that were not addressed at the Pre-Submittal meeting must be submitted in writing and directed to the attention of Carrie Satterlee at the address below.

Phoenix, AZ 85007
Phone 602-712-7532
FAX 602-712-7424

Questions will be received until 4:00 PM on December 7, 2007. A fax is also acceptable. No further questions will be accepted after the time specified.

All consultants will be notified of the consultant's request for information and the Department's response to the question. Information will be posted on the ECS Website as well as faxed to those firms that have registered for project updates.

Any violation of the above contact restrictions may be grounds for rejection of the consultants SOQ. The Engineering Consultants Section Statement of Qualifications format for Contract No. 08-14 shall be followed when expressing interest in this project. The Statement of Qualifications package, or information regarding same, may be obtained from the address shown above, telephone (602) 712-7525. Statements of Qualifications not following the correct format will be rejected.

In order to qualify for selection, a firm must have on file with the Department a current "Prequalification Statement" or submit same with the Statement of Qualifications. Prequalification Statement forms may be obtained from the address shown above, telephone (602) 712-7525.

The Department may select one firm from among those submitting Statements of Qualification for consideration.

The selected consultant and their subconsultants will be required to submit the Consultant Audit Questionnaire and comply with the Advance Agreement Checklist as detailed in SECTION IX of the SOQ Package.

All material submitted in accordance with this solicitation becomes the property of the State of Arizona.

Lobbying certification/disclosure certification statement will be required in the introductory letter from those submitting Statements of Qualifications.

The right is reserved by the Department to reject any and all Statements of Qualification.

Professional Liability Insurance will be required.

The Boiler Plates for all Engineering Consultant Section Contracts are not negotiable.

Partnerships (joint-ventures) will not be considered.

Reviewing the successful Proposal(s) would be allowed but copying is not permitted.

Inclusion of work hour and/or plan sheet estimates in the SOQ will not be allowed.

The 5 Year Highway Construction Preliminary Engineering Program lists this Design-Build project estimate for delivery in FY 2008 at \$184,060,000.00.
